Lakeland Autumn Park Series

A new venture will be starting in October. We have a series of 3 (4 if we can get permissions!) park races. More information on the individual races will be coming soon, but they are designed for a winning time of approx 20 minutes, with everyone expected to finish within the hour.

Venues are:

- 8th October - Brockhole
- 15th October - Fell Foot (following the Park Run at 9am)
- 22nd October - Ulverston Victoria High School
- 29th October - Barrow Park

As it will be a series, there will be prizes! Matt Rooke is finalising the format of the events and the series, so keep a look out for more details soon...

NOTE!! The above venues/dates have been amended - this list is the correct, up-to-date one!
