

LOC DEVELOPMENT - Suggestions for action plan.

A full copy of the Development Group's paper can be found on the LOC website <https://www.lakeland-orienteeing.org.uk/loc-development-group-meeting-information-2018>

This paper will give you a better understanding about the rationale for the choices listed below. They are blocked in level of priority but the action plan will include actions for each of the aims.

Please add any suggestion(s) under as many of the aims below as you wish and return to louisecapper@ymail.com before the **end of March 2018.**

Thanks.

Louise Dunn (Fixtures Secretary and member of Development Group)

High Priority

Extend orienteeing opportunities

Improving Club Identity

Increasing Participation in the club

Medium Priority

Developing the welcoming ethos of the club and extending social engagement opportunities

Introduce and support children, young people and families to orienteeing.

Develop the capacity and skills of volunteers.

Low Priority

Improve the orienteeing skills of members and club performance

Improve land access and protection of the environment

Improve the inclusion and diversity of the club

Improve club management
