Upcoming Fixtures.... Week 20 - No. 27

Pictures, notices, stories, stuff....

In the good old days of a printed newsletter, we regularly had articles from club members telling everyone where they had been, how they had finished, and where things went right (and wrong!). We would love some more of these to post up on our new website.

Any pictures or stories from the British anyone - please share with the rest of the club...

Battleaxe results...

There have been some great results in the first two Battleaxe events this year.

With there being only three events in the series, the rules have been changed so that ALL events count to the final result.

Jack Wright is leading the way in Mens Open, with Sam Yates having a great run of form not far behind.

Richard Lecky-Thompson has two second places in Mens Vets, behind Quentin Harding of SROC.

Junior Women is very competitive, with no clear leader and all to play for in the final race.

Junior Men is being led by Francis Smith-Ward with a number of others close behind.

Bring a friend...

The summer series of events is a great chance to introduce your friends and family to orienteering. (Hopefully!) better weather, and some great informal events is a perfect combination to show-case our sport. There will always be someone on hand to give any help needed.

Yvette Baker Competition

A small group of juniors travelled down to Accrington for the annual Northern round of the Yvette Baker.

At time of going to print, full results weren't available, although Harry O'Donovan and Matthew Haddow were both class winners.

Lakeland Trailquest series 2016

Coming soon - the annual series of races through the South Lakes and Lancashire. These are 2 hour score events, all on a Tuesday evening, on bike (all roads - no tracks or off-roading!), and are great fun.

There are classes for everyone, including families.

More information soon...
