19 September 2016

Upcoming Fixtures....

Week 38 - No. 36

Next LOC event...

Sunday 2nd October - Birkett Common (near Kirkby Stephen)

Cumbrian Galoppen event - all usual colour coded courses. Costs £6 and £3. Registration from 10.00am. Parking at NY768035 off Tommy Road which is a turning off the A683 at NY757038.

Saturday 8th October - Barrow Park

First of the LOC Autumn Park Series. Registration from 9.45, so there is even time to do the Park Run 5km before you start... Costs are £4 and £2, and there will be prizes! Single course, but with differing gaffles and butterfly loops...

Monday 10th October

LOC Annual General Meeting.

Open to all club members - please come along. Everyone welcome!

Saturday 15th October - Fell Foot

Second of the series. Again, registration is from around 9.45, so time for the Park Run first.

Thursday evenings - WCOC evening events

Our neighbours from up North are still staging their Thursday evening events (I think they actually do EVERY Thursday all year round now!). Event formats vary at different times of the year. Full details on all their events can be found on www.wcoc.co.uk

Hurstwood Level B - 18.9.16

Some great results from Sundays event down near Burnley. Beautiful weather and thigh high tusssocks, plus intricate areas for quarried hillsides...

Milo Williamson was 2nd on M14, closely followed by Dan Lister in 4th. Harry Scott continued his recent good form winning M16, with Alex O'Donovan 4th. Noah Howlett was 3rd on M18, whilst dad Nick just edged out Iain Smith-Ward finishing 3rd and 4th on M45.

Lizzie Hampshire and Bethan Tonkin were 4th and 5th on W12. There was almost a clean sweep on W14, with Ellie Simmonds winning seconds ahead of Jess Ensoll. Merryn Stangroom was third, and Lucy Gibson finished in 5th.

Jackie Chapman won the W55 with Lindsey Bayles 3rd. Anne Wilson was 2nd on W60, and Gill Browne won the W65 class.

LOC Winter Night Events

Another series of winter night events are planned for 2016/2017. As last year we are alternating between Urban events and Terrain events. These will be every Wednesday evening starting on the 9th November (with a break for Christmas/New Year)

Great fun, and they really help with your navigation too...

More details soon...

Lakeland Autumn Park Series

A new venture will be starting in October. We have a series of 3 (4 if we can get permissions!) park races. More information on the individual races will be coming soon, but they are designed for a winning time of approx 20 minutes, with everyone expected to finish within the hour.

Venues are:

8th October - Barrow Park (TBC)

15th October - Fell Foot (following the Park Run at 9am)

22nd October - Ulverston Victoria High School

29th October - Brockhole

As it will be a series, there will be prizes! Matt Rooke is finalising the format of the events and the series, so keep a look out for more details soon...

URGENT - PLEASE HELP!

With the upcoming AGM, we are in the usual position of having some club officials wishing to step down from their positions. This year, two of the key posts are those of **Fixtures Secretary** and **Club Secretary**.

Whilst neither are particularly onerous, they are both vital to the running of the club. Full descriptions of what each job entails can be forwarded on request.

The club could also benefit from having a proper **Publicity Officer**.

As with any club, the more members we have helping out with the running of the club and events, the easier it is for everyone.

Summer newsletters...

Apologies for the lack of news throughout the summer... Hopefully back on the case now!
