Carols' planning challenge

Don't forget about this... It goes on all year (maybe not every week!) It is for all club members, not just those out there who already plan and control events. It will also help you at future events, as you will start to get a better understanding of what the planners are trying to achieve,

Last weeks newsletter...

Apologies for the non-appearance for a couple of weeks - hopefully back on track now...!

Club Clothing

You should all have seen recent emails from Rob Browne asking about club clothing. In addition to those orders already taken, we are also getting a small stock for future sales... Contact Rob if you are still interested. rob.browne88@gmail.com

RELAYS

I am now collecting names for three forthcoming Relay events:

1. Scottish Championship Relays, at Binning Wood, Dunbar on Sunday 21st May

The individual championships are on Saturday with an urban sprint on Friday evening. For preliminary details see the website:

<http://www.scottish-orienteering.org/championships/scottish-championships-2017>

I already have a list of 35 names courtesy of UVHS and a few others. If you haven't already told me please confirm by 3rd May

2 Harvester Relays at Blakeholme (as LOC Champs 2017 !) 24/25 June

After a number of years in distant parts it's on home terrain this year so we should muster a few teams. I already know some who are keen to make a strong team – please join them. There are two classes A and B which start at midnight and 01:30 for 7 and 5 runners respectively. Various night or day legs are available. Preliminary details are on the DRONGO website as below and I would like your names by 31st May. For the full event guideline see the BOF website – Competition Rule K (under Events/Rules).

Fees for all of the above are yet to be confirmed but will be subsidised LOC.
