*Upcoming Fixtures....*

## Friday 30th March-2nd April

### JK 2018.

Best of luck to all travelling down to Cannock for this years JK. Sprint, Middle distance, Long distance and Relays.

## Wednesday 11th April

### Stock and Park Wood, Oxen Park - Tech Race 1

First of our Spring Technical races. Usually a single course with a cut-off option. Starts from 17.30-18.30

## Saturday 14th April

### LOC Graythwaite Middle Race

Full details on the LOC website. Obviously most club members will be helping on one (or both) days... Should be a great weekend!

## Sunday 15th April

### LOC Lingmoor Long distance

Top class area... Best time of year... What's not to like?!

## Wednesday 18th April

### Stickle Pike 50 at 50 - Tech Race 2

Something slightly different... This year marks my 50th birthday, and to mark the event, I am staging a '50 control special'.

Mass start event at 18.00 (ish). This will be a 50 control Score event, and is suitable for all abilities - there will be a number of easy controls to make any course from Yellow upwards. Prizes and cakes will follow at the end...

## Wednesday 25th April

### Torver High Common, near Torver

Third of our Tech races.

## LOC Google Group reminder

Quick reminder...

This group should only be used for orienteering purposes... And if/when you reply to an email, DO NOT use the 'Reply to All'...

The main idea of the group email is to keep members informed, and if too many mails are posted people will stop reading them.

Thanks

## LOC Events - Safety

**Hopefully winter is now behind us, and we can look forward to some warmer weather.**

For **terrain events**, especially ones which venture onto higher open areas (such as Lingmoor), a bum-bag with a cagoule, and possibly overtrousers, may still be required if the weather is inclement. A whistle should always be carried on any event. It's better to have it and not need it, than be without and find you need it...

And take a note of the course (strictly enforced) closing times...

## SROC Farleton Knott

What a difference three weeks make.

SROC staged their postponed event from earlier in the month, and couldn't have got better weather for it!

A great run from Hollie Orr who finished third on the Brown, as did Merryn Stangroom on the Green course.

Dick Towler won the Short Green, with Ian Wilson third and Rebecca Holland fourth.

Dylan Kenny was the winner on the Light Green.

The next Cumbria Galloper event is Knipe Scar Common, near Shap on April 8th.

This is a new area, and has great views into the Eastern Lake District and out to the Pennines...

# Good luck...

To everyone travelling down to the JK...

May you have sunshine on your backs, everyone else behind you, and all your controls where you expect them to be...

It would be nice to have some reports from you on how you all did, along with some results...
