## Upcoming Fixtures....

### Wednesday 9th May

#### WAROC Battleaxe event - Bishops Wood, Esthwaite

First of the Battleaxe events. A 20 control one hour score event, with starts from 18.00-19.00. Full details on [www.waroc.org.uk](http://www.waroc.org.uk)

### Sunday 13th May

#### Cumbria Galoppen (and Yvette Baker heat) - Newton Fell

Full details on the LOC website, but in a nutshell... Full range of courses. Starts 10.30-12.00 Really nice mix of open fell, fast short grassed rough fields, and some intricate contour and rock details with some mainly open woodlands... And Cumbria Galoppen points too... What is there not to like??

### Wednesday 16th May

#### WAROC Battleaxe Event - Esthwaite and Sunnyswaite

Parking on forest roads from Moor Top (above Grizedale Visitor Centre). One hours score, starts 18.00-19.00. [www.waroc.org.uk](http://www.waroc.org.uk)

### Wednesday 23rd

#### LOC informal event...

Still very much at the planning stage, but there will be something... More details to follow!

### Next week...

There will be no Locate - I'm away doing the Northern Traverse (Coast to Coast). For anyone wanting to know my progress, the race starts on Saturday at 9.00am, tracking is at <http://live.northerntraverse.com/> Don't expect the dot to be moving quickly!!

### LOC Schools events

Two events remain in the series... Today at Cartmel Racecourse and the last event on Thursday 23rd at Brockhole. If anyone can offer to lend a hand, please talk to Selwyn Wright who would be more than happy to accept any offers, whether it is putting out controls, collecting them in, or just basic crowd control!

Once the series finishes, we are hoping for some of the kids (and their parents!) to come along to some of our Summer series... So will be needing some volunteers to make sure they know what they are doing...

### More congratulations

Graham Capper was 3rd in M60 at the recent Irish Champs Sprint, with Louise Dunn winning W45 (she picked up the wrong map!) and Carol McNeill 2nd in W70

In the Middle race, Louise finished 3rd in W55 and Carol topped the list.

Louise then was 2nd in the Long Distance race, again with Carol 1st. Sounds like a successful weekend!!

### Rusland Beeches - 2/5/18

Thanks to Stephen Edge for organising our last Tech race. And also to anyone else who has contributed to the series, whether it's putting controls out, collecting them in, registration, parking or results... Now a short break until the Summer series! (selected results)
