Lakeland Lanequests...

Now in it's 23rd successful year! The Lakeland Lanequest series has gone from strength-to-strength assisted by WHEELBASE, The UK's largest cycle store.

The philosophy of Lakeland Lanequest is to provide a fun and challenging cycle-orienteering events on 6 consecutive Tuesday evenings through June and July. The events are designed to be very inclusive and aimed at all abilities, on all styles of bikes, all ages and families. In recent years the popularity of these fun events have exploded and they have regularly been attracting 120 riders to the quiet country lanes in and around the Lake District on Tuesday evenings with start times from 5.30pm until 7pm.

All proceeds from each event go to a charity nominated by the event organiser.

Congratulations...

to Charlie Somers-Cocks who has been competing in the recent World Mountain Bike Champs in the Czech Republic. In what seems to be an annual thing, she took the win in both the Middle and Classic races in the W55 class...

Force Forge Evening Event

Thanks to Jo Cleary (and helpers) for sorting this one... Tough course, and plenty of options to shorten your plans once you got going and found out how slow you actually were! Selected results below...
