

## **Cumbrian Galoppen series**    The results are in....

The #CumbrianGaloppen series of 10 events concluded with a challenging event jointly hosted by LOC and WAROC at Skellghyll Woods and Wansfell. The Borrowdale trophy was retained by Lakeland Orienteering Club. Individual winners on the colour coded courses were shared amongst the clubs with our LOC juniors claiming a handful of wins across Yellow, Orange and Light Green.

It's brilliant to see the Family Project shining through with so many young people enjoying such success at regional events! Huge thanks again to Kath Savage for her hard work and enthusiasm in bringing young people to our sport over the last 3 years.
