

Laura Brown at Junior World Champs in Romania

Laura Brown is in Romania as part of the British team at JWOC.

The competitions are based around the northern town of Baia Mare (50miles south of the Ukranian border).

The website to track her progress can be found here

The competitions are for M20 & W20, and Laura, like half of the British team, is only 18.

The first race was a Sprint around the centre of the town complicated by the use of artificial barriers.

Laura had a great race in her first Junior World Champs, placing 53rd (of 153 ladies), just under 3 minutes behind the winner.

The rest of the week will see a Mixed Sprint Relay (Tue), Forest Middle(Wed), Long(Fri) & Relay(Sat).
