

LOC FAMILY PROJECT

MARCH 2023 UPDATE

Club Publicity

- *Club promotion is ongoing
- *Please engage with our posts by Liking and sharing them - this helps them to be seen by more people - it's all about the algorithms
- *Spring competition - update the profile photo for our Facebook group - please share your orienteering photos!

Beginner access to LOC events throughout the year

- *First three Spring events are great locations for Kendal or Ulverston
- *All Spring and Summer evening events will have courses suitable for beginners
- *Tarn Hows Galoppen - full range of courses at a well known location
- *Schools series also open to families

LOC / BSOA Explorer Awards Scheme

- *We are adding the Explorer badge scheme to the LOC Family Challenge materials.
- *Under 18s who wish to participate will be awarded points for the number of controls they collect at specified LOC events.
- *Results will be kept on a spreadsheet on the club website and BSOA Explorer badges will be awarded at the end of the award season.

February Workshops

- *Our Family Fun workshops were incredibly popular and the sessions went really well!
- *Photos and figures attached

March follow-ups

- *Two woodland events: Great Tower and Stony Hazel

Easter Trail

- *Kendal Easter Egg Trail will run during the school holidays from 1st-16th April
- *Map and answer sheet will be on the LOC website

Find your Way project event

- *We are hoping to hold our first Find Your Way virtual orienteering event on June 11th or 25th
- *It will be based in Fell Foot Park
- *There will be courses to follow using the Maprun app alongside actual kites
- *Aimed at introducing orienteering to beginners
- *We may provide some of our workshop activities alongside these
- *HELPERS WILL BE NEEDED PLEASE!

Other dates

*Helpers will be much appreciated

- * 4/5 June
 - Support British Orienteering stand at OMM Lite in Grasmere
- *29/30 July
 - Kendal Family Festival - showcase orienteering alongside a range of other activities
