

## CALLING ALL JUNIORS

Many of you will have heard about the North West Junior Squad, this group takes juniors for extra training, they train every month apart from July and August at a region in the North West and occasionally stay over at a village hall or in December at a youth Hostel and have a Christmas dinner ( this is not compulsory if you don't feel at the stage you are happy with this although it is fun!!!) plus every year they have a competition called the Junior Inter- regional Competition where each region from GB race against each other.

Every two years they organise a trip usually to Norway to train with clubs over there. This is all voluntary and you do not have to go but it is a fantastic experience.( that's what the cake stall money and o top sales at large events goes towards)

They need extra members, they have a first training day in May for new members and are happy to take juniors from second year 12's )who have been running orange and are leading onto light green, BUT you can be older as we realise not everyone starts this young, If you would like to go and see what's its about ( parents are allowed but watch out you may get a job, I remember it well!!!) please get in touch with me and I will pass your names over.
