

POP-UP ORIENTEERING**23RD MAY 2018****THE LOST WORLD / ROUGH HOLES, GRAYTHWAITE****IN AID OF MACMILLAN CANCER SUPPORT**

This event popped up at the very last minute! Laid-back landowner Myles Sandys at Graythwaite Estates did not hesitate to give permission with only three days notice. Dave Walton turned up trumps with some vital timing equipment with only three hours notice. Iain S-W took over running the whole event about three seconds after he arrived. Big thanks to these three. Especial thanks for all the cakes that arrived, there would have been more but I ate them before anyone finished. Thanks to everyone who turned up, didn't whinge about the spiky forest and supported a worthy cause.

Entries and cake sales raised £263 for Macmillan Cancer Support, whose excellent nurses provide help for cancer patients and their families. Donations can be made at www.macmillan.co.uk

Long and short results are hand-timed. Because most runners on the short course put their details on the long course sheet the results are mixed together in one list. The pre-starters may have gained a few minutes in the results.
